COMBINING THE EXCITEMENT OF
COMPETITION WITH CHALLENGES IN
SCIENCE, INNOVATION, AND BEYOND!

Pre-College Research Excellence Programs (PREP) are research-focused programs for Tennessee middle and high school students geared to promote STEM disciplines. Participating in PREP encourages students to pursue careers and a lifelong passion for STEM. Each program is hosted at the campus of the [University of Tennessee, Knoxville](#).

Tomorrow's Engineers Today

****hosted by Society for Women Engineers (SWE)**

**Saturday,
February 19,
2022**

Every year the University of Tennessee's Society for Women Engineers hosts a one-day event for elementary, middle & high school girls to learn & get excited about a career in STEM.

This event includes fun experiments, laboratory tours & demos, and presentations about various engineering majors.

Parents also get insight into the field of engineering at the University of Tennessee Tickle College of Engineering through a parent session! Come join UTK

SWE for this fun day!
