

PRE-COLLEGE RESEARCH
EXCELLENCE PROGRAMS

2021-2022 UTK Pre-College Programs Updates

Governor's School for the Sciences & Engineering

**Application
Deadline:
January 15, 2022**

The Governor's School for the Sciences & Engineering, hosted on the University of Tennessee campus, is a 4-week on-campus program that provides the opportunity for advanced study, laboratory experience, research in modern science and mathematics, and an immersive college experience.

The new and improved fully-online application is open now!

Southern Appalachian Science and Engineering Fair (SASEF)

**Project Registration
Deadline:
February 28, 2022**

The 2022 SASEF STEM competition will be held on March 29, 2022 on the University of Tennessee campus at the Student Union Ballroom. East Tennessee middle and high school students enter their STEM project into the fair for the chance to win prizes and cash awards. We recommend teachers and students register early so they receive updates and reminders along the way.

Registration is open now!

Virtual Science Club

**Upcoming Meetings:
January 11, 2022
& January 25, 2022
7:00 p.m. EST**

The next [Virtual Science Club](#) is on January 11! Students will meet in breakout rooms by research area. We hope you will also join us on January 25, to hear our guest speaker Dr. Ben Horne discuss machine learning, with examples from sports analytics.

Tennessee Junior Science and Humanities Symposium (TJSHS)

**Application Deadline:
February 5, 2022**

The 2022 TN JSHS will be held on March 10-11, 2022 on the University of Tennessee campus at the Student Union Ballroom. Tennessee high school students present original research for the chance to win tuition scholarships and advance to the national competition in Albuquerque, New Mexico.

Attendance and lodging are free for participating students and teachers. Application deadline is February 5!

Tomorrow's Engineers Today

****hosted by Society for Women Engineers (SWE)**

**Saturday,
February 19, 2022**

UTK's Society of Women Engineers (SWE) will be hosting Tomorrow's Engineers Today, or TET, on Saturday, February 19, 2022. TET is an event where SWE invites girls in grades K-12 to come to the University of Tennessee to experience what it's like to be an engineer for a day. Perform experiments, hear guest speakers, enjoy lunch and a free t-shirt! Registration is \$7/person starting January 1.

Register for TET

**Big Orange
STEM
Saturday**
**hosted by Hodges
Library

**Saturday,
February 19, 2022**

BOSS is an annual spring conference for high school students in east Tennessee; we reach nearly 100 9th-12th graders each year. This year's BOSS is scheduled for Saturday, February 19th, 2022. Our vision is to bring information on STEM careers and exposure to university life to historically underrepresented populations, and get them excited about STEM and being a VOL. This year's theme is What is Your STEM Superpower?
