2022-2023 UTK Pre-College Programs

September Newsletter

COMBINING THE EXCITEMENT OF COMPETITION WITH CHALLENGES IN SCIENCE, INNOVATION, AND BEYOND!
Pre-College Research Excellence Programs (PREP) are research-focused programs for Tennessee middle and high school students geared to promote STEM disciplines. Participating in any of the PREP programs encourages students to pursue careers and a lifelong passion for STEM. Each program is hosted at the campus of the University of Tennessee, Knoxville.

What we've been up to:

We are working diligently to plan the rest of 2022-2023! We encourage you all to check out updated websites and social media platforms. See our upcoming events below!

Tell me more about the PREP Programs!

Virtual Science Club

September 13, 2022-February 21, 2023

- FREE MENTORSHIP & GUEST SPEAKERS
- ZOOM MEETINGS ON TUESDAYS AT 7PM EST

REGISTRATION & FULL SCHEDULE IN LINK!

2022-2023 VIRTUAL SCIENCE CLUB

The Virtual Science Club (VSC) was designed to provide free virtual programming to assist students and teachers in the development of STEM skills, engagement in the research process, and to motivate them to enter the Southern Appalachian
Science & Engineering Fair (SASEF)! The club is a joint venture between SASEF and The University of Tennessee, Knoxville's Pre-College Research Excellence Programs.

Teacher Grants 2022

Henry Fribourg
THE TRUSTS DIVISION OF SASEF

- Fostering education in Science and Engineering
- Encouraging young men and women to pursue STEM careers

APPLY NOW

HENRY FRIBOURG TEACHER GRANTS

How to apply

Please use this online grant application form to complete and submit your proposal. In addition, a support letter from your principal should be e-mailed to Jan Coley at coleyjan@gmail.com.

Deadline: Monday, October 24, 2022

2021-22 Awards

1. First Prize: $1,000
2. Second Prize: $750
3. Third Prize: $500

The Trusts Division of the Southern Appalachian Science & Engineering Fair (SASEF) has a program to encourage innovative science and engineering instructional programs and materials for science teachers in the 23 county area served by SASEF. Awards of up to $1,000 are made. Winners will be notified in writing soon after the submission deadline, and a check issued to the teacher’s school.
